NO. 48

EDWARD MCAFEE IS INJURED.

Bridge Supervisor of the Henderson Route Has Both Legs Broken.

Edward McAfee, of this city, bridge supervisor for the Henderson Route, had both legs broken, at Gaston, Friday, by being struck by a piece of piling. The piling was being loaded on a car, when one end slipped and struck Mr. McAfee below the knees. The accident occurred shortly after noon. The piling was being loaded on the "pila-driver" train from the side of the track with a derrick. Some of the piling was about fifty feet in length, and as Mr. McAfee was taking a moment, while standing near the train, one of the long pieces was swung into place. The larger end accidentally caught in a drain box and the smaller end swung around with great force, striking Mr. McAfee and causing a compound fracture of the right leg above the ankle and a simple break of the left leg below the knee. Fortunately he was struck in the lower part of the body and suffered no internal injuries.

The injuries of Mr. McAfee were dressed by Dr. J. V. Frewitt, surgeon for the Henderson Route, at West Point, and then he was brought on special train to his home in this city, where he has been resting very well.

Until Mr. McAfee recovers from his injuries, his duties as bridge supervisor for the main line and the Henderson Route will be looked after by J. G. Brashear, of West Point, bridge supervisor on the extension, who will give part of his time to each division of the road.

Life.
The poet's exclamation: "O Life! I feel thee bounding in my veins," is a joyous one. Hence, that one rarely or never make it, in honesty to fortune, are among the most unfortunate. They do not live, but exist; to live implies more than to be. To live is to be well and strong—to arise feeling equal to the ordinary duties of the day, and that one overcome by them—to feel life bounding in the veins. A medicine that has made thousands of people, men and women, well and strong, has accomplished a great work, bestowing the richest blessings, and that medicine is Hood's Sarsaparilla. The weak, run-down, or debilitated, from any cause, should not fail to take it. It builds up the whole system, changes existence into life, and makes life more abundant. We are glad to say these words in its favor to the readers of our columns.

New State S. S. Officers.

Somerset, Ky., June 10.—The State Sunday-school convention closed last night. The next place of meeting will be Ashland. The following officers were elected: W. J. Brown, Somerset, president; the Rev. H. J. Dethrick, Hazel Green; Jesse T. Gonsell, Letchfield; the Rev. Frank Hurrell, Louisville, vice presidents; E. A. Fox, general secretary; T. C. Gerhart, Henderson, W. V. Vangin, Madison Field, secretaries; E. N. Woodruff, treasurer; Miss Nannie Lee Frayer, superintendent primary department; H. K. Taylor, Bechtown, superintendent training department; J. Shreve Durham, Greenburg, home-to-home visitor; the Rev. H. G. Ogden, Louisville, head of home department.

No Secret About It.

It is no secret, that for Cuts, Burns, Ulcers, Fever Sores, Sore Eyes, Boils, etc., nothing is so effective as Bucklen's Arnica Salve. "It didn't take long to cure a bad sore I had, and it is all O. K. for sore eyes," writes D. L. Gregory, of Hope, Tex. Get at Short & Haynes drug store.

Ice Factory in Operation.

The Cloverport Water, Light & Ice company's ice factory, with a daily capacity of ten tons, began operation Friday, and the company is now supplying the city and vicinity. Besides selling ice here and at Tobinsport, they will probably soon establish a market for their product at various points on the main and branch lines of the Henderson Route. Engine No. 11 has charge of the factory's delivery wagon here.

The price of ice is lower here now than it has been in several years.

Douglas Rafferty was the guest of relatives in New Albany Saturday and Sunday.

EPWORTH LEAGUE LAWN FETE THURSDAY WAS A MOST SUCCESSFUL SOCIAL EVENT.

The lawn fete given last Thursday evening by the Epworth League, on the vacant lot between the stores of M. Hannon & Son and Julius Brown, was pronounced by many who attended to be the most enjoyable social event for the benefit of either religious or fraternal organizations, in the history of the city. It was, in some respects, more like a carnival than a lawn fete, and the first affair of the kind ever given here. Though not as large as some other social events in the past, it was more attractive and comprehensive in detail for its size. Pleasantly surprised and delightfully entertained were those who attended, and having gratified were the visitors over its results. In every respect it was a decided success.

One of the happy features was the short time occupied in preparing for the fete, a half hundred or more League members working together, harmoniously and preparing their costumes, various booths and other features just a few days before the event. Nearly all members of the League who took part were costumed, this being a feature which was very pleasing and which helped largely to draw the crowd. The costumes were all faithful in the representation of the various nationalities present and under the brilliant illumination of scores of Japanese lanterns and a locomotive headlight, they made a pretty and gay scene. Flags and bunting on the various booths added to the beauty of the spectacle. Cream, cakes, cold drinks and other refreshments were served at the

booths and at tables. Music was furnished by a local orchestra.

There was a colonial booth, a Japanese booth and a German booth. "George Washington" and colonial made possible at the colonial booth, and "The Mikado" and Japanese girls at the Japanese booth. There was a gypsy tent, where Zella told her "past, present and future" in side, and where a Turk, in his native robes, stood guard at the entrance. There were two camels, Americanized into donkeys, each lead by an Arab, in his native dress, that carried all who desired to spend their time and money for a ride on the backs of these beasts. Uncle Sam was on hands throughout the evening, with a grab bag, which you could have a grab at for only five cents, and there was a Chinaman selling candy. Rats. German boys were waiters and German girls were waitresses at the tables where ice cream was served. There were "spellers" on every ride, spellers in costume and spellers not in costume, but all using their lungs for the benefit of the League.

There were pretty girls everywhere, and one of the interesting features of the evening's entertainment was a contest at the colonial booth to decide the prettiest girl on the grounds. Miss Eva Plank receiving the highest number of votes.

The gross receipts of the fete was about \$20 and the net receipts about \$40. Most of the proceeds will be used by the charity department of the League in its work in this city and vicinity.

Remarkable Cow Dead.

Regarding the death of a remarkable cow owned by Mrs. Frank Eades, who formerly resided in this city and is well known here, Sunday's Owensboro Inquirer says, in part:

"Mrs. Frank Eades is disconsolate for the loss of her cow, Rose, and well she may be. The animal was looked upon as almost a member of the family, and when she died Saturday her owner shed tears of genuine sorrow."

"Rose was born in May, 1883. In May, 1893, twenty years ago, she had her first calf. Since that time she had been dry six weeks. It is calculated that in that time she gave 12,350 gallons of milk and made 6,240 pounds of butter. Counting the milk as skimmed milk and butterfat it was worth \$1,735 and at the price that butter has averaged for many years it was worth \$1,500, a total of \$3,235. Her last calf was born in 1900, and she has been giving milk constantly since that time. She was milked Friday evening and seemed to be in perfect health, as she was in fine condition. Her death was certainly the result of old age."

All who use Atomizers in treating nasal catarrh will get the best result from Ely's Liquid Cream Balm. Price, including spraying tube, 75c. Sold by druggists or mailed by Ely Bros., 50 Warren St., N. Y.

New Orleans, Sept. 1, 1900. Messrs. Ely Bros.—I sold two bottles of your Liquid Cream Balm to a customer, Wm. Lambertson, 1415 Delachaise St., New Orleans. He has used two bottles, giving him wonderful and most satisfactory results.

Geo. W. McDuff, Pharmacist.

Matron at Confederate Home.

Miss Lela Henly has accepted the position of matron at the Confederate Home at Pewee Valley. Miss Henly was postmistress under both of Cleveland's administrations. She assumed her duties last week.

Regarding the appointment of Miss Henly to the position of matron, the Inquirer said editorially: "Miss Lela Henly, of Cloverport, has been elected matron of the Confederate home at Pewee Valley. If the state had been given over a more worthy, deserving, capable and efficient woman could not have been found for the place."

Neck Broken By Fall.

Hawesville, Ky., June 10.—Owen Murphy, a farmer aged 54, was thrown from his wagon here on Friday, falling on his head, broke his neck and died immediately. He had come to town from his farm two miles away to town for a load of coal and was returning home with it. He had been drinking as was his habit, and was standing up in the wagon driving, or attempting to drive, his team, when the wagon wheel hit a rock and he was thrown out with the above result.

SECOND RAILROAD FOR CLOVERPORT.

Right of Way For Proposed Line From Madisonville Secured and Work Will Begin This Summer.

Sunday's Courier-Journal contained a special dispatch from Madisonville which read as follows:

"The right of way of the new proposed railroad between this city and Cloverport, was secured to-day through Hopkins county to Pond river. President H. H. Holman and others of the Commercial Club went over the entire distance in vehicles and signed every inch of ground needed in this county. The right of way through Henderson and Breckenridge counties has been secured, thereby assuring the road. Bonds will be issued at once for the construction, which will begin this summer."

The first mention of the proposed railroad from Madisonville to Cloverport in the News was made until last week. The movement to build the road has been pushed almost entirely at the Madisonville end of the line and the people of this county have not been interested in the project until very recently. From what can be learned from various sources the railroad seems to be a certainty. A railroad like the one proposed would open up one of the richest and most extensive coal and timber belts in the state and would be of incalculable benefit to Cloverport.

As far as is known here the right of way in Breckenridge county has not been secured. It is thought that the route by which the proposed road will come will be over the old short line road bed from Victoria, as it is also the old pier into the Ohio river which could be profitably utilized. J. A. Barry, local agent of the Breckenridge Cannel Coal company, says that the right of way over this road bed has not been secured through him as agent, but may have been through the central office of his company.

School Teachers Elected.

The many friends here of Prof. J. P. King will be gratified to know that he has been re-elected principal of the public school for the ensuing year.

The assistants to Prof. King, as elected by the trustees, are Edmund Wroe, Miss Jennie Patterson and Miss Maggie Wroe. Mr. Wroe will have charge of the advanced department, Miss Patterson of the intermediate and Miss Wroe of the primary. There is only one change in the faculty. Miss Wroe succeeding Miss Mary Jacob.

Funeral at Hardinsburg.

Hardinsburg, Ky., June 12.—(Special.)—The infant child of Mr. and Mrs. Peter Sheeran, of Kirk, died Saturday, and was buried at St. Bonaventure's cemetery Sunday. The Rev. Wm. L. Gabe conducted the funeral ceremonies.

Half Crop at Garfield.

Garfield, Ky., June 13.—(Special.)—On account of the dry weather and scarcity of plants, there will not be more than half a crop of tobacco planted in this vicinity.

Victor Pile Out of Danger.

Hardinsburg, Ky., June 13.—(Special.)—Joe E. Pile writes that his brother, Victor Pile, who is ill of typhoid fever, is much better and his physician pronounces him out of danger. He is at Redlands, Cal.

Mrs. Sam Hook Dead.

Garfield, Ky., June 13.—(Special.)—Mrs. Sam Hook, daughter of James Kennedy, Sr., died Thursday and was buried at the family burying ground near Garfield.

DEATH OF MRS. WEBB TAYLOR.

Was Born in This County and She Was Very Widely Connected.

Mrs. Webb Taylor, of Tobinsport, who was born and reared in this county and who is widely connected here and at Tobinsport, died yesterday morning at 7:50 o'clock, after an extended illness. A tumor, for which she was operated on in Louisville several weeks ago and which could not be removed, was the cause of her death.

Mrs. Taylor was born near the Hardin place, near this city about 1863. She was a daughter of Capt. and Mrs. Nat. A. Hill, of Moreau, Ill., formerly of this county and also of Tobinsport. After her marriage to Mr. Taylor she moved to Tobinsport where she resided until her death.

Mrs. Taylor is survived by her husband, two daughters, Mrs. Hugh Gardner, of near Hawesville, and Mrs. Jesse Stith, of Tobinsport, her parents, and the following brothers and sisters: Alex. Hill, of Tobinsport, Charles and James Hill, near Frankie Hill and Mrs. Luther Helvitt, of Moreau. She has other relatives in this county and at Tobinsport.

Mrs. Taylor was a member of the Baptist church and a woman well liked for her good qualities.

The funeral will be held this morning at 9 o'clock from the Baptist church at Tobinsport. Rev. J. F. Winchell will conduct the services.

READ THIS.

Hopkinsville, Ky., June 7, 1901. This is to certify that I was troubled with kidney and bladder disease for three years and found nothing to relieve me until I tried the Texas Wonder, Dr. E. W. Hall's Great Discovery, which has given me positive relief, and I think a permanent cure.

Jas. M. Hopkins.

A TEXAS WONDER

One small bottle of the Texas Wonder, Hall's Great Discovery, cures all kidney and bladder troubles, removes gravel, cures diabetes, seminal emissions, weak and lame backs, rheumatism and all irregularities of the kidneys and bladder. Both men and women regulate bladder trouble in children. If not sent by your druggist it will be sent by mail on receipt of \$1. One small bottle is two months' treatment and seldom fails to perfect a cure. Dr. E. W. Hall, sole manufacturer, P. O. Box 629, St. Louis, Mo. Send for testimonials. Sold by all druggists.

Will Build Two Barges.

T. F. Sawyer is making preparations to build two barges, sixteen feet wide and sixty-five feet long, out of the hull and one side of a big coal barge which was caught here last winter in the ice, and for which he paid \$135 to the Consolidated Coal & Coke company. The barge was one that broke loose from a fleet at Rock Haven, during the heavy ice, and was caught here by about a dozen persons and tied up just below H. L. Morton & Son's saw mill. Mr. Sawyer will rent the barges, when completed, and will have them also for his own use in connection with his gasoline boat.

Obituary.

Miss Eliza Jane McManaway, daughter of Samuel and Charity McManaway, of near Tarfork, was born May 4, 1844, and died June 2, 1905. She died of spinal trouble at the home of her sister, Mrs. Angeline Sanders, at Victoria. She was ill about ten weeks. She leaves one brother, D. N. McManaway, of Fordville, and one sister, Mrs. Angeline Sanders. The interment was at the Sanders' burying ground, Elder H. Craig conducting the services.

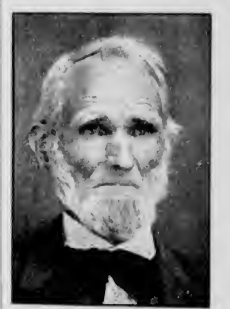

Equity Picnic at Bewleyville.

Bewleyville, Ky., June 13.—(Special.)—Farmers are spending this week laying low their golden grain, which will command Equity prices. After harvest they propose to have a good, all day picnic in some shade place and exchange ideas as to the ways and means of carrying on their work. Every one is requested to take part.

Obituary.

When the sun went down on the grave of Mr. Harrison Dowell, on February 28, 1905, it shone on the last resting place of one of the oldest and best-known citizens of this (Breckenridge) county. Mr. Dowell was born in this county in 1816. He passed all his long, useful life near the place he was born. In 1845 he was married to Miss Nancy Jones, a lady of great intelligence, and one well fitted for the useful life she lived, caring for woman and minding a family of seven children. Of these two, Mrs. Mattie Grant and Mr. Marion Dowell, died leaving families of their own, and three others passed away at an early age, making ten children born to this union.

Mr. Dowell was converted at the age of sixteen years, and joined the Cumberland Presbyterian church, living in that church till he was seventy-six years old, at which time he was led to see that to fulfill all the commandments he must be joined with "Christ" in baptism, which he was. When he went down into the water and came up out of it clothed in newness of life. He was not a demonstrative Christian, but walked in a humble, quiet path of rectitude doing all that laid in his power and ability for the good of those around him. He was an obliging and peaceable neighbor, a visitor and helper to the sick and afflicted.

But he is gone, "not dead but only sleeping." That he will be raised to life again we all agree to believe. His youth still survives him. He is now seventy-seven years old and is only waiting to greet him on the other shore. The children who survive him are Lewis Dowell, of Sample, Ky.; Will Dowell, of Oak Hill, West Va.; Mrs. Logan Bachman, of Kipple, Kan.; Mrs. Leon Atkinson, of Poca, Kan.; and Mrs. I. W. Payne Stephens, of "Dear father, thou hast gone and left na."

And thy loss we deeply feel. But 'tis dead that has bereft us. We need not all our agonies dwell. But in Heaven we hope to meet thee. When no farewell tear is shed, With all the loved ones gone, we'll greet thee. When our sorrows all are fled."

Mrs. Rachel B. Lay, Stephensport, Ky., June 4, 1905.

Cures Without Stomach Dosing.

Hyomel Cures Catarrh by Simple Breathing. Short & Haynes Refund Money If It Fails To Cure.

A long stride toward solving the mystery of curing catarrh was taken with the discovery of Hyomel. In fact, the percentage of cures by this treatment proves it equal to the final test.

The folly of taking medicine into the stomach to cure catarrh of the nose, throat and lungs, has been realized by physicians, but not until Hyomel was known, had they a practical method that would obviate stomach dosing.

A complete Hyomel outfit costs but \$1, and consists of a neat pocket inhaler that can be used anywhere without attracting attention, a medicine dropper and a bottle of Hyomel. Extra bottles of Hyomel cost but 50c.

Breathing Hyomel through the inhaler, every particle of air that enters the nose, throat and lungs, is charged with a healing balsam that soothes and allays all irritation, kills the catarrhal germs and enriches the blood with additional ozone.

Short & Haynes have so much faith in the power of Hyomel to cure catarrh, that they are selling it under their personal guarantee to refund the money if it does not give positive relief.

Miss Verma Ryan, of Tobinsport, has returned from a visit in Louisville.

IMPROVEMENTS OF HENDERSON ROUTE.

Will Build Terminals in Louisville-New Depot At Owensboro-To Build Extension to Uniontown.

It developed yesterday that the block surrounded by Thirtieth, Fortenth, Main and Market streets, purchased by the Columbia Finance and Trust Company, is to be used for terminals for the Louisville, Henderson and St. Louis Railway Company says the Louisville Herald. The Trust Company purchased the property last fall in small parcels, paying for it an aggregate of about \$200,000, but the development of the property was maintained to the object of the purchase. There was one small parcel of property on the block that could not be purchased, and it was when the railroad company brought condemnation proceedings yesterday that the object of last fall's purchase was made known. All the property in the block had been purchased except St. Patrick's church at Thirtieth and Market streets and the Episcopal school and residence adjoining.

The railroad company has served notice on all occupants in the block to vacate the premises in thirty days, and yesterday condemnation suits were brought to secure property now occupied by William Ketterer, George J. Stanton, Mrs. Lizzy Schreiber, Matilda Knoll, George, John, Charles and Joe Kestner. The property fronts fifteen feet on Main and runs back 105 feet.

The Louisville, Henderson and St. Louis railway will have one of the finest and most convenient terminals in the city, independent of the Illinois Central, over whose tracks it now enters the city. It used the seventh-street depot for a passenger station and used the freight lines of the Illinois Central.

The terminal location will be especially convenient on account of railroad connections in the vicinity, which include the Pennsylvania lines, the Louisville Bridge, Illinois Central, Baltimore and Ohio, Southern, Monon and Louisville and Nashville railroads. The latter road is reached over the Louisville Bridge (company's tracks). The Louisville and Nashville road gets 51 percent of the Henderson route's gross earnings in traffic to St. Louis and Louisville and Nashville tracks are used between Evansville and Louisville by the Henderson route.

To Build Passenger Depot.

Arrangements are being completed for building of a passenger depot in Owensboro by the Louisville, Henderson and St. Louis railway. The Commercial-Journal General Manager McCracken says that the attempt to get an agreement between all of the roads entering Owensboro at that a union station may be avoided, and is still being persisted in, but that one of the roads has thus far refused to become a party to such an agreement. The Louisville and Nashville, he says, is anxious to enter into an agreement for a union depot, but the Illinois Central refuses to do so. He thinks there would be much more reason for a refusal on the part of the L. and

TWO OPEN LETTERS

IMPORTANT TO MARRIED WOMEN

Mrs. Mary Dimmick of Washington tells how Lydia E. Pinkham's Vegetable Compound Made Her Well.

It is with great pleasure we publish the following letters, as they convincingly prove the claim we have so many times made in our columns that Mrs.

Mrs. Mary Dimmick

Pinkham of Lynn, Mass., is fully qualified to give helpful advice to sick women. Read Mrs. Dimmick's letters.

Her first letter:

"Dear Mrs. Pinkham:—I have been a sufferer for the past eight years with a trouble which first originated from a cold, and has since become a chronic complaint, with inflammation and ulceration of the womb. The doctor says I must have an operation or I cannot live. I do not want to submit to an operation if I can possibly avoid it. Please help me."—Mrs. Mary Dimmick, Washington, D. C.

Her second letter:

"Dear Mrs. Pinkham:—You will remember my condition when I last wrote you, and that the doctor and I must have an operation or I could not live. I received your kind letter and followed your advice very carefully and am now entirely well. As my case was so serious it seems a miracle that I am cured. I know that I owe not only my health, but my life to Lydia E. Pinkham's Vegetable Compound and to your advice. I am now well and feel like a new person, and I wish every suffering woman would read your letter and realize what a relief can be found in it."—Mrs. Mary Dimmick, Washington, D. C.

How easy it was for Mrs. Dimmick to write to Mrs. Pinkham at Lynn, Mass., and how little it cost her—two-cent stamps. Yet how willing she was to reply. As Mrs. Dimmick says—it saved her life. As Mrs. Pinkham has in her thousands of just such letters as the above, and offers aiding women helpful advice.

N. as it has a much better station than the Illinois Central.

A more expensive building would be erected if an agreement among the roads could be reached, and on this account the L. H. and St. L. officials have delayed somewhat in having plans drawn.

Extension from Henderson.

The Uniontown Telegram says it has information from an authentic source to the effect that the Henderson route will extend its track from Henderson to Uniontown. Concerning the proposed extension the Owensboro Messenger says, in part:

"Apparently a revival of railroad building in this section of Kentucky is about to be brought about. The prospects for a railroad between Madisonville and Cloverport amount almost to a certainty and the statement is given out positively that the L. H. and St. L. will extend lines from Henderson to Uniontown."

"The proposed extension of the 'Texas' from Henderson to Uniontown would be of great benefit to Owensboro shippers. For several years one of the principal difficulties in getting from Owensboro into the territory west of Henderson has been the inability to get freight routed through by way of Henderson. The line to Uniontown would eliminate the difficulty as to a considerable part of that territory. General Manager McCracken has recently spent considerable time in Henderson and it is regarded as certain that a part of that time was spent in looking into the advisability of extending the road."

S. S. Workers At Somerset.

Somerset, Ky., June 7.—The fortieth annual session of the Kentucky Sunday school Association convened in this city today. Four hundred delegates and visitors are expected to arrive this afternoon on a special train over the Q. and C. route. The session convenes at the Opera House at 2:30 p. m. and will be opened by an address by the Rev. Gilbert Glass, of Stanford, Ky. The citizens of Somerset have opened their doors for the visitors and hope to make this one of the largest and best sessions of the Sunday school Association ever held in this State.

No Abatement in Rural Routes.

According to tables prepared in the division of rural free delivery which have just been laid before Postmaster General Cullerton by the fourth assistant postmaster general there is no perceptible abatement in the demand for rural free delivery service. There are pending 4,708 petitions on file a year ago. Rural routes are being ordered laid out at an average rate of about 69 a month.

T. J. Hook Granted Patent.

Thomas J. Hook of Hardinsburg, has been granted a patent on a tent pole, which he invented sometime ago. The tent pole was described in the News at the time the invention was completed.

LODATIC THOMPSON

DIES BY OWN HAND.

Farmer and Former Inmate of An Asylum Shoots Himself in the Heart at Home Near Cloverport.

Lodatic Thompson, a farmer and former inmate of the asylum at Lakeside, committed suicide last Wednesday morning between 7 and 8 o'clock, by shooting himself through the heart with a single-barreled shotgun, at his home on the Bowling Green road, two and one-half miles south of this city. Mr. Thompson had acute stomach trouble, which is supposed to have affected his mind. He was an inmate of the asylum at Lakeside for several months but was returned home about a year ago, though uncurd, at the request of his wife. The exact cause of his killing himself is not known, though it had been apparent for a long time to the members of his family that he had been brooding over something, and at many times his actions were very strange.

On Wednesday morning Mr. Thompson ate a hearty breakfast, remarking that he felt better than he had for sometime and that he intended doing some painting about the house that day. After the meal was over he went to his room upstairs. Shortly afterward a shot rang out and Mrs. Thompson and a daughter rushed to his room. They found him seated in a chair with the shotgun on the floor in front of him. He was leaning toward them, but did not speak. They saw at a glance what he had done and rushed downstairs. Geo. N. Harris, a neighbor of Mr. Thompson's, was on the scene shortly after and when he went upstairs he found Mr. Thompson lying on the floor. He had apparently lived only an instant. His wife and daughter heard him fall out of his chair when they ran down stairs.

Mr. Harris and others made a search of the room. A razor was found on a bureau. He had not been shaving, and it is supposed he had deliberately and carefully planned his death and that he had this weapon in readiness in case he should not be successful in accomplishing his purpose with the shotgun. The shotgun, which was a muzzle loader, was kept standing in a corner of the room and was loaded with small shot.

A thorough search of the room failed to reveal any note left behind by Mr. Thompson or anything to throw light on the cause of the suicide. The excitement of the razor was not found until Wednesday afternoon.

A young man who is a cropper on one of Mr. Thompson's farms stated to a representative of the News that the unfortunate man had said before his death that he (the young man) was going to kill him and his family. His family knew that he had been brooding over something and this would indicate that the thought of some one being killed was in his mind, though it is not remembered that he ever spoke of having any intention of doing harm to himself or others.

The general theory as to the manner in which he used the shotgun is that he placed the butt on the floor and the barrel close to his breast, using his foot to move the hammer, the guard preventing him from pulling the trigger with his foot. Part of the shot entered the heart, while the others ranged closely around it, and the skin was badly powder burned.

Coroner Lee B. p arrived from Hardinsburg at 12:30 and the inquest was held at 1 o'clock. The verdict of the jury was as follows: "We, the jury, find that Lodatic Thompson came to his death by a gunshot wound, in the heart, in accordance with his own hand."

The suicide of Mr. Thompson was particularly a deplorable event because of the fact that he was a man who had some admirable traits. One of his neighbors said he never knew of a more honest and industrious man. He was a member of the Presbyterian church, and Murray Post, G. A. R., of this place.

Mr. Thompson was born in Scotland in 1842. When a young man he came to this country with his mother and a brother. A large part of his life was spent in this country and he owned two farms on one of which he lived. He is survived by his wife and two grown daughters, Miss Annie and Eubank Thompson, and one brother, whose home is near Cincinnati.

The funeral was held Thursday afternoon, the interment being at the city cemetery. The services were at the grave and were conducted by Rev. P. L. King. The funeral procession was a large one for the distance it came. The bridge over Tarlock creek was being repaired at the time and the floor had to be laid before it could cross, making a long delay.

TO CURE A COLD IN ONE DAY. Take LAXATIVE BROWN QUININE Tablets. All druggists refund the money if it fails to cure. E. W. Grove's signature is on box.

BAD SET, SAYS EDITOR GLENN.

Madisonville Paper Speaks Harshly About Van Amburg Circus.

Concerning the Van Amburg circus, which was at Hardinsburg last Wednesday, Glenn's Graphic of Madisonville, says:

"If newspapers and other reports in regard to the Van Amburg show, which was here a week or two ago be true, and we doubt not they are, the management of that concern is under just about the slickest and worst set of rascals that ever went through this country. It seems that when the snow stopped that tinkers were taken in by the dozen and in some instances were skin and out of large sums of money."

Before the show came to Kentucky, while across the river, all the towns visited suffered. At Springfield, Tenn., after it left here, one trot got pulled for \$25, while others got pulled for smaller amounts. While no one has any particular sympathy for the man who loses his money in a skin game, yet all feel that the proprietors of such, with those who patronize them, ought to be dealt with according to law."

Slogan of Davies Farmers.

The Owensboro Messenger says that "Hold Wheat Crops" will be the slogan of the farmers in Davies county this summer.

State Out of Debt.

The statement of the financial condition of Kentucky made by the State Treasurer at Frankfort last Saturday should commend itself to all persons seeking a home or investment where taxes are low and where there is practically no State debt. The last of the registered bonds of 1895 have been paid, and the total State debt now consists of but \$10,000 of coupon bonds, while there is \$400,000 in the Treasury. The General Assembly is limited by the Constitution in its power to contract debts, in time of

TAKE WINE OF CARDUI AT HOME

Are you a sufferer?
Has your doctor been unsuccessful?
Wouldn't you prefer to treat yourself—AT HOME?

Nearly 1,500,000 women have bought Wine of Cardui from their druggists and have cured themselves at home, of such troubles as periodical bearing down and ovarian pain, leucorrhoea, barrenness, nervousness, dizziness, nausea and depression, caused by female weakness.

These are not easy cases. Wine of Cardui cures when the doctor can't.

Wine of Cardui does not irritate the organs. There is no pain in the treatment. It is a strengthening tonic of healing herbs, free from strong and drastic drugs. It is successful because it cures in a natural way.

Wine of Cardui can be brought from your druggist at \$1.00 a bottle and you can begin this treatment today. Will you try it?

In cases requiring special directions, take LAXATIVE BROWN QUININE Tablets. The Chattanooga Medicine Co., Chattanooga, Tenn.

BIGGEST DAY!

in the year for Breckenridge county people will be Barbecue day at Hardinsburg, July 4. More fun, more pleasure, more real old-time enjoyment will be had on that day than any other day in the year. Why? Because more money is being spent, more preparations are being made, more amusements are being arranged for than have ever before been. It will be great.

Barbecue July 4.

A. S. OF E. MAN TO SPEAK.

A high worker in the American Society of Equity who is acquainted with the tobacco situation in the state and county will deliver an address.

DANCING FLOOR—MUSIC.

A large and splendid dancing floor will be on the grounds, and a fine string band has been engaged to make music especially for the dancers.

TELL CITY BRASS BAND

16-PIECES-16

The best band that will come to the county this year. At great expense we have secured this splendid corps of musicians to make music throughout the entire day. A concert free will be given in Cloverport on the afternoon before the picnic by this band.

50 YARD DASH.

First Prize—\$2

Second—\$1

Third—\$.50.

We have a fast track and competent judges. Anybody can enter. Boys, train up and win one of the prizes. This and the sack race will be made two of the most interesting and exciting events of the day.

BARBECUE DINNER 25 CENTS.

PROPRIETORS:
John O'Riley, Hardinsburg.
Huse Alexander, Mook.
Jubal Hook, Hardinsburg.
W. N. Pate, Mattingly.

Alfred Bueck was to Fordville Saturday for a visit of several days.

Misses Lilith and Mabel McGlothlin, of Irvington, are visiting Mrs. Jas. Younger.

Miss Edie Broese, of Evansville, has been visiting Miss Nell Gregory the past week.

W. E. Keates, of Owensboro, was in the city part of last week on a business trip.

Miss Eliza May has been visiting Mr. and Mrs. E. H. Bridenbach at Owensboro.

Miss Alice Board, of Holt, was here part of last week the guest of Miss Lucetta Miller.

Mrs. Marion Ryan, of Louisville, has been spending several days here the guest of relatives.

Dr. J. V. Frewitt, of West Point, has been here part of the past week attending Edward McAfee.

Mrs. R. A. Gist and daughter came up from Owensboro Saturday for a visit to relatives here.

Mrs. Florence Slaughter, of New York city, arrived Thursday for a visit to her cousin, Mrs. J. A. Murray.

Miss Mamie DeHaven has returned from a visit of several weeks to her brother, Dr. Fred DeHaven, in Louisville.

Mrs. Mollie Hamilton and granddaughter, Miss Jellie, of Henderson, have been visiting Mr. and Mrs. C. E. Lightfoot.

Amos and Annie Thompson, of Ohio, were here Thursday to attend the funeral of their uncle, Lottie Thompson.

Mr. and Mrs. Will Watkins left Monday for St. Joseph, Mo., after a visit to his sisters, Mesdames E. B. Oglesby and E. E. Moreman.

Miss Monnie Bannon, of Hawesville, was here last Wednesday to attend the wedding of her cousin, Miss Addie Field, to Frank Hinesy, of Victoria.

Mrs. H. C. Pate and daughter, Miss Amy, have returned from a visit to relatives and friends in Owensboro. They were accompanied home by Miss Hattie May, who will be their guest.

Lonnie Marlow, formerly of this city, arrived Friday from Nashville for a visit of several days here and at Fawcettsville. He will go from here to San Francisco, on a business trip.

Prof. J. P. King and W. B. Oelze were in Hardinsburg Thursday to make arrangements for presenting the comedy drama, "Sweet Lavender," at the opera house on June 22.

Mr. and Mrs. Richard Parker, of Washington, D. C., will be the guests of her aunt, Mrs. Mary J. Miller, the latter part of this week. Mrs. Parker was formerly Miss Salthe Miller, of this city.

Have you ever visited Mammoth Cave? If not, you should join J. C. Crutcher's party on Tuesday morning, June 20. He will have a special coach for his party on the L. & N. R. R., St. L. Ry., also on L. & N. R. R. \$18 for round trip from Cloverport. This includes R. R. fare, hotel bills and fees through both the long and short routes. For particulars address him at Weaver, Ky.

Disease takes no summer vacation. If you need flesh and strength use **Scott's Emulsion** summer as in winter.

Send for free sample. SCOTT & BOWNE, Chemists, 679-681 Pearl Street, New York.

A 42-piece dinner set for mere trifle.—Babbage & Son.

Miss Mary Tabeling, of Tarfork, was in the city Thursday.

Miss Ella Smith has returned from school at Shelbyville.

A big assortment of the chinaware, on sale this week.—Babbage & Son.

E. F. Nolte went to Louisville yesterday, to remain until Friday.

John Allen Murray went to Louisville Sunday for a visit of several days.

Mrs. A. J. Gross, of Holt, and Mrs. Orfila DeHaven went to Louisville yesterday.

Mrs. Will Ahl and children, of Addition, were the guests of relatives here last week.

Misses Janie Wittmer and Bertha Kerchival, of Cannelton, were the guests of Miss Ida Wilcox Sunday.

Miss Lizzie Harned, daughter of Henry Harned, of Hastings, Oklahoma, came in Monday to visit her old home and relatives. Her father is expected to arrive in a few days.

Ice Cream Supper at Ekron.

There will be an ice cream supper given by the Ladies' Aid June 24, for the benefit of Ekron Baptist church. This supper was advertised to be given May 27, but owing to sickness in the community it was postponed. Everybody invited.

Commencement This Week.

Hardinsburg, Ky., June 13.—(Special.)—The commencement exercises of Miss Reid's private school will be held at the opera house on the evenings of Thursday and Friday of this week.

Tank Carman is quite sick.

Miss John Johnson, who has been very sick, is better.

Dr. E. C. Harned and family visited at Custer Sunday.

Mr. and Mrs. Matt Priest visited here Uncle Billie Scott Sunday.

Tommie Dowell, of West Point, is at the bedside of his father.

Miss Katie Mattingly visited Mary Leigh Gregory Saturday and Sunday.

John Dowell is very low at this writing, with but little hope of his recovery.

The popular clothing man, Carl Richardson, of Louisville, was here last week.

Miss Alma Orendolf, of Webster, was a guest of Miss Nannie Board last Sunday.

The time of meeting of the Baptist Sunday school has been changed to 10 o'clock in the morning.

Miss Ina Bridwell, of West Point, is visiting her grandparents, Mr. and Mrs. James Brown.

Mrs. F. M. Board is visiting her daughter, Mrs. Robt. Weatherford, at Harwood, who has been quite sick with flux.

Mrs. Gola Weatherford, who has been visiting in the vicinity for several weeks, has returned to her home near Webster.

CHENAUET.

Lushion Manning is on the sick list.

Ed Stallman went Owensboro Saturday.

Mrs. John Frymire left Friday to visit her sister in Missouri.

Mrs. Guy Burch and children are visiting her parents, Mr. and Mrs. J. B. Frymire.

Mrs. Abe Bennett went to Wolf Creek Saturday to attend the funeral of Miss Ida Bennett.

Harry, Bessie and Lucile Cunningham left Tuesday for Louisville, to attend the reunion.

Carl Hine, who has been visiting Miss Jessie Warren, returned to his home Sunday at Cannelton.

Herman, Ambrose and Lewis O'Bryan left Tuesday for Green River, where they will spend the remainder of the summer.

The ice cream supper given at the hospitable home of Miss Margaret Stallman last Wednesday evening, in honor of her birthday, was quite a success. At the hour of 11 forty persons sat down to a beautiful spread table and partook of the refreshments. All present had an enjoyable time.

DR. R. P. KEENE,
Representing
TAYLOR, KEENE & TAYLOR,
DENTISTS
OF OWENSBORO.
Will be in Dr. Lightfoot's office one week out of each month, prepared to attend on all wishing High Class Dentistry.
Will be Here July 10 to 16.

Mr. and Mrs. Joseph Greenwell and little Wee Wee's spent Sunday with Mr. and Mrs. H. Stallman.

Mr. and Mrs. Frymire Rhodes of Brandenburg, spent a few days last week with friends and relatives at this place.

LOCAL BRIEFS.

Bible, or Children's, Day at the Baptist church will be observed next Sunday evening, beginning at 7:30 o'clock.

The city council will have a special meeting next Monday evening for the purpose of adopting the ordinances, for the government of the city, which have been printed in book form by the job department of the News.

The Union Bible Club will meet next Tuesday afternoon with Mrs. J. D. Seaton.

The city council has ordered stepping stones put across High street between the residences of A. H. Murray and J. C. Nolte.

J. C. Crutcher, of Webster, was here Monday advertising his Mammoth Cave trip.

The performance given by the New Era floating palace, last Friday evening, was, perhaps, the best ever seen here on the smaller show boats. A vaudeville program was rendered.

C. H. Waile, the trader who came here from Louisville a few weeks ago and occupied the back room in the basement of the Masonic Temple, moved his tools and stock of goods the latter part of last week, and went to Hartford to locate.

G. B. Farwell, of Evansville, was here last week to move his household goods to that city, where he has a position as machinist with the Evansville & Terre Haute railroad. He formerly held a like position here with the Henderson route.

There have been a number of delightful Benning parties at the Acme pond, east of town, recently. Fishing at the Acme pond is the best there has been in this section for sometime. The pond is well stocked with bass of good trying size.

Rev. P. L. King left Monday for a month's vacation at the home of his father at Smith Grove. While away he will attend the Pastors' Institute, which will be in session several days at Glasgow. His pulpit at the Methodist church will be filled next Sunday by Rev. W. P. Gordon, of Owensboro, and on the following Sunday, June 25, by Archdeacon M. M. Benton, of Louisville, of the Episcopal church. On either the first or second Sundays in July, the exact date to be decided upon later, a praise service, to which the public is cordially invited, will be held in the church, at the evening service, by the Epworth League.

An infant of Mr. and Mrs. Thos. Blythe was brought here Sunday from Irvington and buried at the city cemetery.

Miss Elizabeth Jarboe entertained the Ladies' Reading Club Thursday afternoon. It being the last meeting until after the summer months.

Harry Newsom will leave Saturday for Cincinnati, where he will attend an art school for about three months.

Chas. Waggoner will operate a threshing outfit this summer. He recently bought a new separator.

A trick bicycle rider gave a free performance on Wall street, near Elm, late Monday afternoon. He did some very clever stunts and attracted quite a crowd.

The condition of Miss Ellen Reaner, who was badly hurt in a runaway, while driving to town, as was told in the News last week, is much better than was expected for one of her advanced age.

Our Great Closing Out Sale

Speaks louder than all our words can do. We don't boast, but merely wish to say that we are determined to carry this sale successfully to a finish as soon as we possibly can. The people know, from past experience, that we are reliable, truthful, and fair and square in all our dealings, having been located long enough here to find it out. We always practised what we preached, and when we now offer our large stock of

Clothing, Dry Goods, Notions, Hats, Furnishing Goods

IN OUR FOUR SEPARATE STORE ROOMS AT AND

Below Cost

We mean every word we say. If you hesitate to buy now, you surely lose good money, as such an opportunity is a rare occurrence here. Come before the various lines are picked over. We can under no circumstances charge goods in this sale, it takes cash or produce to buy them. The best kind of a chance for a party going in a well established business to buy stock and fixtures cheap.

Grove's Tasteless Chill Tonic
has stood the test 25 years. Average Annual Sales over One and a Half Million bottles. Does this record of merit appeal to you? No Cure, No Pay. 50c.
Enclosed with every bottle is a Ten Cent package of Grove's Black Root Liver Pills.

Dr. Milton Board's Record Discussed Freely by Senator Blackburn.

Senator Blackburn spoke at Hopkinsville last week in the interest of his candidacy for the United States senate.

After a brief discussion of national issues, mostly concerning trusts, with particular reference to the operations of the tobacco combine in this region and praise and encouragement for the Dark District Planters' Protective association in its fight for better prices, he turned his attention to the state administration, branding it as a political machine that had declared his name and decreed his destruction, refusing him a square deal and leaving no stone unturned to accomplish his defeat because he had refused to wear its collar and be a party to its "infamous transactions." He claimed that the administration offered him his nomination by acclamation if he would promise to attend solely to national policies and leave state matters to "the machine."

He charged Dr. Milton Board, superintendent of the Western Kentucky asylum for the insane, with pernicious political activity and said Dr. Board must have the executive capacity of a first Napoleon to be able to properly conduct an asylum with nine hundred or a thousand unfortunate patients and still devote a half or three-fourths of his time to politics as a member of the state central committee, state campaign committee, "machine agent" for all of western and southern Kentucky.

He concluded his speech by predicting that John W. Yerkes would be the next Republican candidate for governor and that the state would be lost to Democracy unless the machine be destroyed and a strong state ticket nominated by the people themselves.

Twenty-five Cents

Will give you rest. Will stop your pain and itching. Paracomb absolutely cures Piles whether bleeding or itching.

OHIO COUNTY NOTES.

Shreve corresponds. The wheat crop is very promising. Crops of all kinds are looking very well.

Most of the farmers are about done setting tobacco and the average is rather above the average. The majority of the pupils of the A. S. of E. are still holding their last year's crop.

Our community will have an abundance of fruit of all kinds except apples. They are falling so badly.

We have furnished schools at Pleasant Grove, Tishler and Pleasant Walk.

The school board has not yet employed a teacher, though there have been several applicants. Mr. Arthur Miles will teach the Tishler school and Miss Helen Whittrill will teach at Pleasant Walk.

The large roller mill of T. E. Butler, at Shreve, is doing a flourishing business.

Quite a number from this community attended Van Amburgh School at Fordville June 8.

Arthur Miles, wife and baby have returned from Mississippi, where Mr. Miles has been teaching the past year.

Dr. Charles and Clarence Dowses, who are attending the Hospital College of Medicine at Louisville, are visiting their mother, Mrs. Lon Dowses.

Mrs. Mary Armstrong is visiting Mrs. John Armstrong at Bowersville.

We have R. F. D. routes in almost every direction now. That, in connection with the network of farmer's telephone lines, takes off a good deal of our "backwood" look. Next, give us the parcel post, and our opinion there would be of much greater service to the farmer than rural free delivery.

The Ohio County Association will meet with Pleasant Grove church, the week following the fourth Sunday in August.

Charlton Rowson is very sick and not expected to recover. With this condition the health of the community is very good.

Tarfork Bridge Repaired.

Crossing of the bridge over Tartor creek, near town, was stopped last week in order that the structure could be repaired. New sills and a new row are among the improvements, which have long been needed.

MME. MARNE'S NEW YORK LETTER.

Picturesque Traveling and Rainy Day Gowns--

The Great Vogue of Abis Silk--The Beauty Doctor's Prophecies.

Modistes are exceeding all their former efforts and women are so good today that it would require but a slight stretch of the imagination to think that one is looking upon an embodiment of a reany painted by an old master, for indeed nothing of beauty of other eras escapes the arbiters of fashion of this period.

The fashionable is vogue at the hips and full at the hem. The deep joint that appeared years ago at the front of evening bodies is seen this season on clothed as well, but this point, no matter of what material, must be straight and stiff to fit closely against the front breadth of the skirt, and while not so much is said about the straight front as formerly, it is still with us in the best of models.

In spite of the beauty doctor's prophecies of red noses and flamed faces, the color laws are being drawn much tighter. Short sleeves appear in gowns of all descriptions. Even tailcoats have sleeves reaching not more than half way to the wrists and the frock for rainy day or evening wear has lost much of its "fervency and has many of the more picturesque features formerly reserved for the more dressy gown.

Prisley cravenetted frocks for morning wear are at their most fashionable. Eon of seamless tuck and one dart front, a fashion to which, like wine, age adds flavor. Waistcoats are seen plentifully with such coats.

Cravenette on the back of the stunning tweed of which the trig toilet of darker shade in my drawing is composed, made it possible for the charming wearer, a popular and athletic member of New York's smart set, to take her daily pedestrian trip, regardless of wind and weather, secure in the knowledge that her gown could be neither wet nor spotted.

And now a word about that beautiful and perfect dress fabric--Silk! Never has it possessed one tithe of its present popularity, and it is a fashion come to stay! No longer the fabric of the rich, the wearing of Abis silk should be a matter of conservatism to the woman of today, for fashion can prescribe no fabric that is so beautiful and at the same time so generally becoming.

Abis Messaline tafetta, which has been so great a factor in the present vogue and which is now in vogue, is a lovely silk of soft and shimmering texture and makes a most luxurious frock, and best of all, carries its guarantee on the selvage, so it can be chosen for a gown that can be made to do duty for a variety of affairs, being both durable and suitable.

Marian Marne

Couldn't Draw A Crowd.

The colored minstrel troupe, eleven in number and from Nashville, Chicago and Hopkinsville, which was here last week, as advertised to give an entertainment, last Wednesday evening at the city hall, was literally patronized. There was some good talent in the troupe and the members were a well-behaved set.

Quality vs. Quantity.

Hard muscles and strong body do not depend on the quantity of food you eat, but on its perfect digestion and proper assimilation. When you take Kodol Dyspepsia Cure your system gets all the nourishment out of all the food you eat. It digests what you eat regardless of the condition of the stomach and conveys the nutrient properties to the blood and tissues. This builds up and strengthens the entire system, overcomes and cures indigestion, dyspepsia, belching, sour stomach, etc. Kodol Dyspepsia Cure for what is sometimes called America's national disease--Dyspepsia--is destined to eventually suffer from this distressing and mind harassing condition. Sold by All Drugists.

For Improvement of Ohio.

Cincinnati, June 8.--The conference of United States Engineers to consider and report on plans for improving the Ohio river was begun today at the headquarters of Col. E. H. Ruffner.

The task before them is to report on the practicability of improving the Ohio to deliveways and means for carrying out such improvements, the results of the conference will be given at the headquarters of Col. E. H. Ruffner.

The conference is to continue several days and the results will be put in form for the consideration of Congress at its next meeting. The engineers will rely largely on information already in their hands for the report they are to make.

To Kill Cut Worms.

Mr. John L. Hopkins, a Woodford county farmer, writes: "The ground in my tobacco field was covered with cut worms. My men read in a bulletin from the State Experiment Station that 35 lbs. of water and 25 lbs. of shipworm made into a dough and sweetened with molasses, if the parts were ground, then by discoloring, mixed into it, would exterminate the worms. They tried it, dropping pieces of the dough the size of ginseng

of red noses and flamed faces, the color laws are being drawn much tighter.

Short sleeves appear in gowns of all descriptions. Even tailcoats have sleeves reaching not more than half way to the wrists and the frock for rainy day or evening wear has lost much of its "fervency and has many of the more picturesque features formerly reserved for the more dressy gown.

Prisley cravenetted frocks for morning wear are at their most fashionable. Eon of seamless tuck and one dart front, a fashion to which, like wine, age adds flavor. Waistcoats are seen plentifully with such coats.

Cravenette on the back of the stunning tweed of which the trig toilet of darker shade in my drawing is composed, made it possible for the charming wearer, a popular and athletic member of New York's smart set, to take her daily pedestrian trip, regardless of wind and weather, secure in the knowledge that her gown could be neither wet nor spotted.

And now a word about that beautiful and perfect dress fabric--Silk! Never has it possessed one tithe of its present popularity, and it is a fashion come to stay! No longer the fabric of the rich, the wearing of Abis silk should be a matter of conservatism to the woman of today, for fashion can prescribe no fabric that is so beautiful and at the same time so generally becoming.

Abis Messaline tafetta, which has been so great a factor in the present vogue and which is now in vogue, is a lovely silk of soft and shimmering texture and makes a most luxurious frock, and best of all, carries its guarantee on the selvage, so it can be chosen for a gown that can be made to do duty for a variety of affairs, being both durable and suitable.

Marian Marne

Couldn't Draw A Crowd.

The colored minstrel troupe, eleven in number and from Nashville, Chicago and Hopkinsville, which was here last week, as advertised to give an entertainment, last Wednesday evening at the city hall, was literally patronized. There was some good talent in the troupe and the members were a well-behaved set.

Quality vs. Quantity.

Hard muscles and strong body do not depend on the quantity of food you eat, but on its perfect digestion and proper assimilation. When you take Kodol Dyspepsia Cure your system gets all the nourishment out of all the food you eat. It digests what you eat regardless of the condition of the stomach and conveys the nutrient properties to the blood and tissues. This builds up and strengthens the entire system, overcomes and cures indigestion, dyspepsia, belching, sour stomach, etc. Kodol Dyspepsia Cure for what is sometimes called America's national disease--Dyspepsia--is destined to eventually suffer from this distressing and mind harassing condition. Sold by All Drugists.

For Improvement of Ohio.

Cincinnati, June 8.--The conference of United States Engineers to consider and report on plans for improving the Ohio river was begun today at the headquarters of Col. E. H. Ruffner.

The task before them is to report on the practicability of improving the Ohio to deliveways and means for carrying out such improvements, the results of the conference will be given at the headquarters of Col. E. H. Ruffner.

The conference is to continue several days and the results will be put in form for the consideration of Congress at its next meeting. The engineers will rely largely on information already in their hands for the report they are to make.

RAILROAD PROSPECTS BRIGHT.

Much Right of Way For Madisonville--Cloveport Line Already Given.

President Holeman, of the Madisonville Commercial club, says that the prospects for the building of a railroad from this city to Cloverport are very bright, owing to the prompt and unanimous action on the part of the people along the line agreeing to give the right of way, says the Madisonville Hustler.

The right of way has been entirely given on one route through Muhlenburg and all of it given on another route except through two farms, and the owners of these farms could not be seen, owing to absence from the county at this time. All the people who have these farms say they will cheerfully give it when they can be approached on the subject.

Mr. Walter Thomson has met with great encouragement in securing the right of way between Madisonville and Pond river, and very few of the land owners have hesitated in regard to the matter.

Prompt action is necessary to secure the railroad. Muhlenburg county people have offered the right of way nearly forty miles on two different routes. If our Hopkins county landowners between Madisonville and Pond river are awake to their opportunity they will not hesitate to join hands and tell the railroad to come on with its march of development.

Huge Task.

It was a huge task, to undertake the cure of such a bad case of kidney disease as that of C. F. Collier, of Cherokee, Ia., but Electric Bitters did it. He writes: "My kidneys were so far gone, I could not sit on a chair without a cushion; and suffered from dreadful backache, headache, and depression. In Electric Bitters, however, I found a cure, and was restored to perfect health. I recommend this great tonic medicine to all with weak kidneys, liver or stomach. Guaranteed by Short & Haynes, druggists, price 50c."

WEDNESDAY, June 14, 1905

FORTY BANDS TO PLAY "DIXIE"

And Old Flags to be Carried First Time Since War, on Thursday.

The parade of the Confederate Veterans, which will be given in Louisville on June 15, the second day of the Confederate Reunion there, will probably be among the last.

Arrangements are, therefore, being made to make it as notable as the occasion requires. The march of the veterans, who followed Lee, "Stonewall" Jackson, Hood, Gordon and the great leaders of the Confederacy, will be an inspiring sight. Almost every surviving officer of the Confederate armies will be seen mounted in the parade, and in most cases in charge of the troops he commanded.

The parade will be two miles long. There will be nineteen divisions. Each State and department will be headed by a band. Gen. Stephen D. Lee, Commander-in-Chief of the U. C. V., will lead. Conspicuous in the front ranks will be "Fighting Joe" Wheeler.

Forty bands will play six pieces: "Dixie," "The Bonnie Blue Flag," "My Old Kentucky Home," "Maryland, My Maryland," "Virginia," and North Carolina's hymn, "The Old North State."

The tattered and torn battle flags which flew over the Southern armies will be carried for the first time since the war, having just been returned from the North.

A GUARANTEED CURE FOR PILES.
Itching, Bleed, Prolapse or Straining Piles. Druggists refund money if PAIN EXEMPT fails to cure any one in ten days. First application gives relief. Second, 25¢. If you drag your last, send down stamps and it will be forwarded by mail. Write to Parle Medicine Co., St. Louis, Mo.

Fowler-Vose.

Regarding the marriage of Maj. James W. Vose and Miss Lorna Craig Fowler, daughter of Col. and Mrs. U. W. Fowler, of Lyndon, formerly of this city, last Thursday's Louisville Times says, in part:

"The wedding of Maj. James W. Vose and Miss Lorna Craig Fowler, daughter of Col. and Mrs. U. W. Fowler, was solemnized in a beautiful and impressive manner last evening at 8 o'clock in the parlors of Kentucky Military Institute at Lyndon, the Rev. W. C. Humphreys, of Ash Grove, officiating.

After the ceremony the bridal party proceeded to the lawn, where the people received the congratulations of those present. Refreshments were served on the lawn.

"Mr. and Mrs. Vose left immediately for Louisville, where they took a Pennsylvania train for the East. They will spend the summer in New York and Massachusetts, the bridegroom's old home. On their return they will make their home at the K. M. I., where Maj. Vose will resume his position as professor of English there.

"About 150 guests, many of them from a distance, attended the nuptials.

Size of New State Capitol.

The plans for the new State Capitol have been accepted by the State Capitol Commission. Bids will probably be accepted about July 15. The length of the building has been increased from 380 feet to 402 feet and ten inches, and there will be handsome approaches at either end.

BAD STOMACH

MAKES BAD BLOOD.

You can't make sweet butter in a foul churn. Every farmer's wife knows that. Your stomach churns and digests the food you eat, and if foul, torpid or out of order, your whole system suffers from blood poisoning. You will have foul breath, coated tongue, bad taste, poor appetite and a whole train of disagreeable symptoms. Dr. Pierce's Golden Medical Discovery, which is not a mere composition of whisky or alcohol, being entirely free from intoxicants, is a great regulator and invigorator of the stomach, liver and bowels.

"About a year ago I was ill with blood poisoning," writes Miss Evelyn Louis, of 50 Water street, Buffalo, N. Y. "I had what seemed to be a small cold over my lip. It became very itchy and I scratched and scratched until it nearly covered my face. I was very miserable and could not go to sleep because of its appearance. I had a blood medicine which I used for some time, but it did not help. I then took your Golden Medical Discovery and was completely cured. The eruptions on my face disappeared and my blood was cleared. My complexion is clear and fresh and I have felt better this year than I did for some time. Dr. Pierce's Golden Medical Discovery is certainly a most remarkable medicine."

Don't accept a substitute for a medicine which performs such cures and which has uniformly successful record of nearly forty years to its credit. It's an insult to your intelligence for a dealer to try to sell you a cheap imitation of it. You know what you want. It is his business to meet that want.

\$50,000 GIVEN AWAY. In copies of the People's Common Sense book of 50,000 copies a few years ago at \$1.00 per copy. Last year we gave away over 100,000 of these valuable books. This year we shall give away 50,000 more of them. Will you share in this bounty? If so, send one of our one-cent stamps to cover cost of mailing you one of our self paper covers or 31 stamps each worth one cent. Address: J. E. V. News, Buffalo, N. Y.

Constipation through a little ill, began big ones if not cured. Dr. Pierce's Pellets cures constipation.

TO BE PRESENTED ELSEWHERE.

"Sweet Lavender" at Hardinsburg.
"A Noble Outcast" at Lewisport.

"Sweet Lavender" and "A Noble Outcast," the two plays presented here recently at the club room of the Cloverport Young Men's Association, by local talent, were so successful from historical and financial standpoints that the management have decided to stage them at other towns in this and neighboring counties. The management of each play has made one engagement and if they meet with the success they did here they will no doubt make other towns in this part of the State.

"Sweet Lavender," which was played here on the evening of May 19, for the benefit of the public school library, will be presented at the opera house at Hardinsburg on Thursday evening, June 22. The play will be given again in the interest of this cause and will no doubt draw a full house, as the people of Hardinsburg are well known for the interest in schools and school work. It will be given by the eleven young people who presented it here.

"A Noble Outcast," the country drama which was produced here on the evening of June 1 by Clover Dramatic Club, Clover Lodge, No. 42, A. O. U. W., will be given at Lewisport in the interest of the A. O. U. W. lodge on Saturday evening, June 24. There is little doubt that it will be liberally patronized.

Cuban Diarrhoea.

U. S. soldiers who served in Cuba during the Spanish war know what this disease is, and that ordinary remedies have little more effect than so much water. Cuban diarrhoea is almost as severe and dangerous as a mild attack of cholera. There is one remedy, however, that can always be depended upon and will be seen in the following certificate from Mrs. Minnie Jacobs of Houston, Texas: "I hereby certify that Chamberlain's Colic, Cholera and Diarrhoea Remedy cured my husband of a severe attack of Cuban diarrhoea, which he brought home from Cuba. We had several doctors but they did him no good. One bottle of this remedy cured him, as our neighbors will testify. I thank God for so valuable a medicine." For sale by Short & Haynes.

Fined \$10 For Each Shot.

Mark Williams, of near Constantine, was arrested in this city Wednesday for shooting within the city limits. He fired four shots and was fined \$10 per shot, in the police court. He replied the \$40 fine and returned home a much wiser man.—Elizabeth-town Mirror.

Constantine is in Breckinridge county, near the Hardin county line.

The Best I Ever Used.

Miss Fannie Allen, of Guthrie, Ky., writes:

"I find The 20th Century Hair Tonic, to be the best preparation for the scalp and hair I ever used. Eight years ago I had eczema of the scalp very badly, and up to the time I began the use of your remedy, about one year ago, my hair had a dead appearance, and was streaked with gray, scalp full of dandruff. In fact my hair and scalp both were very much diseased. Since using your tonic, I have not been troubled with any dandruff, my scalp perfectly healthy, the gray hair restored and my hair is very soft, fresh and plentiful in appearance. I never want to be without it, and shall recommend it to any person as the best I ever used." For sale by all druggists.

Bills May Follow Probe.

Chicago, June 6.—Instructions were received today by the Federal grand jury which has been investigating the affairs of the beef industries for the past two months to continue the investigation and return indictments if the jurors find that the testimony warrants such action.

The instructions to the jury were in a communication received by Assistant United States District Attorney Godman from his chief, C. B. Morrison, who is still in Washington, where he went two weeks ago to consult with Attorney General Moody regarding the investigation. The jury will from now on hold two sessions daily until they reach their final conclusions.

At least thirty indictments, it is said, have already been drawn and Assistant Attorney General Fagin is now working on several others said to be of great importance.

Rev. Newsom's Success at Cadiz.
A Methodist revival recently closed at Cadiz resulting in sixty conversions, thirty-seven of whom have united with the M. E. church and the others will join the Baptist and Christian churches.—Uniontown Telegram.

Rev. J. T. Newsom, of Murfreesboro, Tenn., who conducted the meeting, is well known here.

Teaches at Lewisport Again.

Prof. J. W. Jarrett, of Stephensport, has been chosen to teach the public school at Lewisport again next session.

More Double Track

Writing in The Raleigh Post of yesterday, Mr. J. C. Caddell foresees the time when trains running between Greensboro and Charlotte will dash through a continuous city, and says that the next ninety-nine-year lease of the North Carolina Railroad by the Southern will call for four tracks instead of one. So, in the future, it will and this makes it one of the agreeable statement in the Washington correspondence of The Post of yesterday that a force of hands will to-morrow begin grading on the double track between Greensboro and High Point. It is a continuing wonder how the Southern Railway contrives to handle so many trains, passenger and freight, on a single track, between Greensboro and Charlotte, with so few accidents, and a continuing cause of congratulation to the alert and clear-headed train dispatchers. The Southern is a great system, the most effective developer of the South, and it has not undertaken its double-tracking policy too early. Think of the volume of its traffic life, even twenty-five years from now.—Charlotte Observer.

BEWLEYVILLE.

Wathen Drury is on the sick list this week.

We thank the News for the program of our Children's Day.

James Drury, of Brandenburg, recently visited his parents here. Chas. Drury is having a new porch put up in front of his house.

Miss Fannie Hardaway will leave this week for Frankfort to visit relatives.

Miss Alberta Drury has returned home after an extended stay with Mrs. Kate Bennett.

Hon. G. W. Richardson is making preparations to build a new house on the old site.

Miss Ada Stith left Monday for an extended stay with her aunt, Mrs. Elma Morton, in Louisville.

Among the guests Sunday was Mrs. Irene Fontaine and children, lately returned from Van Buren, Ark.

Ed Foote, of Owensboro, was here Sunday visiting relatives and attending Sunday-school exercises.

Morris Jolly, of Irvington, spent Friday at Dewey Heights. It is a pleasure to have him able to make the trip.

Mrs. Allright lost a pocket-book Sunday containing a pair of gold rimmed spectacles, which she hopes someone has found and will return to her.

Miss Ima McCoy entertained several young lady friends Monday, in honor of her guest, Miss Cora McCoy, of Union Star, who will make her a visit of a week or more.

Children's Day Sunday was quite a success, a red letter day, indeed. A slight shower interfered with the morning exercises, but the ones who had it in hand managed with tact and steered safely thru, so that the friends present were loud in their praises. There was a large crowd present, an ample dinner and a good collection. The children acquitted themselves with great credit.

Golden Rod.

Sprained Ankle, Stiff Neck, Lame Shoulder.
These are three common ailments for which Chamberlain's Pain Balm is especially valuable. If promptly applied it will save you time, money and suffering when troubled with any one of these ailments. For sale by Short & Haynes

Gasoline Boats Measured.

James P. Thomas and Clay Miller, of the office of the Surveyor of Port, at Louisville, were here and at Stephensport Sunday to measure the gasoline boats operating at the two points. They measured the "Archie" at Stephensport, and the gasoline boats here owned by T. F. Sawyer, Wood Frazier, O. T. Skilman and Fred Weitzel. The boats were measured for the purpose of ascertaining if they were over fifteen tons capacity, in which case they would have to be turned over to the government inspectors and operated by licensed men and fully equipped with life preservers, thus bringing them under regulations of steam-going vessels. It was found that all of the boats measured less than fifteen tons capacity. Each boat owner had to pay five dollars to Messrs. Thomas and Clay, as a result of their visit and will have to equip his boat with a bell and a whistle, though it is not expected that this law will be enforced before July 1.

Ayer's

Sometimes the hair is not properly nourished. It suffers for food, starves. Then it falls out, turns prematurely gray. Ayer's Hair Vigor is a

Hair Vigor

hair food. It feeds, nourishes. The hair stops falling, grows long and heavy, and all dandruff disappears.

"My hair was coming out terribly. I was almost afraid to comb it. But Ayer's Hair Vigor promptly stopped the falling, and also restored the color. I am now growing long, thick hair. E. G. R. Ward, Lansing, N. J."

At a bottle, 25 cents. At a dozen, \$2.50.

Poor Hair

TORTURE AND HUMILIATION

For Fifteen Years Face and Body Mass of Itching Sores—Could Not Express Suffering—Doctors Failed—Had Lost Hope

CURED BY CUTICURA AT COST OF \$1.25

"My head was one mass of scabs, my forehead was covered down almost to my eyebrows, and I had to wear my hat all the time. My body was covered with spots in size from a pin-head to as large as a silver dollar. A white, crusty scab would form and itch, and would not express the torture and humiliation I suffered for fifteen years. I tried many doctors, and all kinds of treatments, but could get no help, and I thought there was no hope for me. A friend told me to get Cuticura. I did, and in three days my head was as clear as ever. I applied the Ointment night and morning, also taking a hot bath three times a week, and using the Ointment freely after the bath. After using one cake of Soap and two boxes of Ointment I was completely cured, without mark or blemish. I was so pleased I felt like running down the street to tell every one I met what Cuticura had done for me. If any one is in doubt about this, they may write to me, (signed) H. B. Franklin, 717 Washington St., Allegheny, Pa."

COMPLETE TREATMENT For Every Humour \$1

Complete external and internal treatment for every humour, consisting of Cuticura Soap, Ointment, and Pills, may now be had for one dollar. A single set is often sufficient to cure the most torturing, disgusting, itching, burning, and scaly humours, eczema, rashes, and eruptions, from infancy to age, when all else fails.

Write for full particulars to J. C. Ayer & Co., Lowell, Mass. Put up in boxes of 100 Pills, 100 Soap, and 100 Ointment.

"The Lost Child."

Sir Arthur Sullivan was at one time greatly worried about what appeared to him to be a bad inconsistency in "The Lost Child." Sir John Robinson tells the story: "The words are, 'I struck one of great music like the sound of a great drum.' Now, when is it possible to have two children, so that there must have been two children. He did not notice this, he said, until after the song had been sung in public, and he was terribly afraid he would get laughed at for it. Strange to say, nobody ever seemed to have found it out."

Not a Lingering Fault.

"Dear George, had you fault," said the bride of three short weeks. "It is such an awful matter." "That fault," replied her elder sister, who had been up against the matrimonial game for three long years, "will gradually disappear as the honeymoon wears." "Oh, dear," sighed the bride, "I was in hopes it would last forever."—Chicago News.

His Daughters' Complaint.

"What was that he said?" queried the indignant groom. "Did he dare insinuate that I ought to put loss and sin in my sugar?" "No at all. When I told him that you were selling sugar cheaper than any other dealer in town he said it was to send to do business like you did."—Houston Post.

Realism in Art.

Little Victor (pointing to a large oil portrait of a woman) "Whose picture is that?" Little Horatio—"She was my mamma's greatest-unt. I never heard much about her, but guess she was a schoolteacher. Little Victor—"Why? Little Horatio—"See how her eyes follow us about."

The Children's Favorite.

For Coughs, Croup, Whooping Cough, etc., One Minute Cough Cure, is the children's favorite. This is because it contains no opiate, is perfectly harmless, tastes good and cures. Sold by All Druggists.

TWO BEAUTIFUL WOMEN WHO ESCAPED SPRING CATARRH BY TAKING PE-RU-NA.

Spring Fever is Spring Catarrh--Nothing Robs One of Strength Like Spring Catarrh.

MISS ESTELLE CAMPBELL.

Miss Estelle Campbell, 140 N. High street, Nashville, Tenn., writes:

"Peruna helped me when almost everything else failed. I was run down from overwork, as I had not been able to take a vacation for three years and naturally my nerves were all unstrung and I was greatly in need of rest and a tonic."

"I went away for two months, but did not seem to get my strength back, although I was taking a prescription which the doctor gave me before I went away."

"At the request of my relatives, with whom I was visiting, I began to use Peruna, and you cannot realize how glad I was when within a week I found I was feeling so much better. Inside of a month I was feeling splendidly, ready and able to take up my work again."—Estelle Campbell.

A Spring Tonic.

Almost everybody needs a tonic in the spring. Something to brace the nerves, invigorate the brain, and cleanse the blood. That Peruna will do this is beyond all question.

We have on file thousands of letters which testify to the curative and preventive value of Peruna in cases of nervous depression and run down condition of the system. We quote a typical case:

"New York City, 353 8th street, New York City, member First Presbyterian Church and Captain Capitol Golf Club, writes:

"Last spring I suffered with malaria and a run down condition which seemed very difficult to overcome."

"I tried several different tonics but did not seem to get much better until I began using Peruna. My recovery was slow, but I was improving and I was glad to continue using it."

"At the end of two months my health was restored and I looked and felt much better than I had for years. Your remedy is well worthy of a recommendation and I am pleased to give it mine."—Frank Williams.

Peruna never fails to prevent spring catarrh or nervous prostration, if taken in time.

Mr. and Mrs. James Keenan, Mr. and Mrs. B. F. Frank, Miss Rilla Howard, Miss Maggie Keenan, Charley Howard and Jas. Bivin composed a party that visited the Tar Springs last Sunday.

Rev. Gann delivered a sermon at the Baptist church Sunday night.

Dr. J. T. Milner is visiting his mother, Mrs. Wm. Milner, at Union Star.

Miss Sue Stephens, of Hawesville, attended the ordination here Wednesday.

Several of the young folks of Patesville passed through here Sunday, en route to Tar Springs.

Messrs. Harvey and Clay Willet, of Owensboro, entertained a crowd with music Wednesday evening at the home of J. M. Fawver.

Mrs. Susan Rice and daughter, Mrs. Susan Powell, who have been visiting her brother, Amos Rice, returned to their home in Decatur, Ill., Friday.

Ordination services were held at the Baptist church Wednesday morning, commencing at 10 o'clock and continuing until in the afternoon, William Powers being ordained to the ministry.

Engine Sills, of Hardinsburg, who is driving for one of the livery stables, at that place, stopped over here Tuesday night and gave a musical entertainment at B. J. Fawver's photograph department.

A crowd from this place went to explore and view Jeffery Cliffs Sunday. Those that went were: Mrs. T. W. Harmon, Misses Nina Lynch, Anna Lamb, Mollie Fawver, Emma

Clark, Nellie Fawver, Ola Clark, Messrs. John Aroca, William Fawver, Homer Lamb, Matt Jarboe, Clifton Corley, Oscar Young and Vernon Lynch. Jeffery Cliffs are about 100 yards high in some places, and are very beautiful, especially the "Newman steps," and the "Devil's Slide Row," which are very attractive. W. J. Fawver took his photographing outfit and made pictures of many different scenes.

HAS STOOD THE TEST 25 YEARS. The old, original GROVES Tasteless Chilli Sauce. You know what you are taking. It is non and outline in a tasteful form. No cure in pay. 25c.

Garrett.

Mrs. Laura Burch is in Louisville visiting relatives.

Mrs. Rebecca Sommers visited Mrs. Buckler last week.

Joe Sandness and family were guests at R. H. Dorell's Sunday.

Mrs. J. H. Shacklett and daughter, Harline, were in Brandenburg Tuesday.

Little Percy Kasev spent last week with his grandparents, Mr. and Mrs. Fombee.

Edd Watts, of Georgetown, was the guest of his cousin, Miss Bernice Shacklett, Sunday.

Medames Jack Williams, Joe Sandness and Dick Dowell spent Tuesday with Mrs. B. J. Carroco, Jr.

Mrs. John Lancaster, nee Dollie Gaudry, of Arizona, visited her father-in-law, W. B. Lancaster, last week.

Mr. and Mrs. J. H. Shacklett have announced the marriage of their daughter, Bernice, to Mr. Charles Price, of Brandenburg, June 20, at 7:30 in the evening, at Hill Grove Baptist church.

Pe-ru-na is the Finest Tonic For a Weary Woman.

Miss B. Inez Silvers, 180 W. 130th street, New York City, Grand Recorder of American Independence, writes:

"Nine years of work, without a vacation, wore out my nervous system. I lost my appetite and felt weak and exhausted nearly all the time."

"Peruna restored me to perfect health in five weeks. It is the finest tonic for a weary woman that I know of. I gladly endorse it."—B. Inez Silvers.

Peruna is the most prompt and permanent cure for all cases of nervous prostration caused by systemic catarrh known to the medical profession.

MISS B. INEZ SILVERS.

Per-na Contains No Narcotics. One reason why Per-na has found permanent use in so many homes is that it contains no narcotic of any kind. Per-na is perfectly harmless. It can be used any length of time without acquiring a drug habit. Per-na does not produce temporary results. It is permanent and effective.

It has no bad effect upon the system, and gradually eliminates catarrh by removing the cause of catarrh. There are a multitude of homes where Per-na has been used off and on for twenty years. Such a thing could not be possible if Per-na contained any drugs of a narcotic nature. All correspondence held strictly confidential.

Per-na never fails to prevent spring catarrh or nervous prostration, if taken in time.
